

LEIA SAFETY CHARTER

As a member of the Lift and Escalator Industry Association,

Express Elevators Limited

is totally committed to working in accordance with BS7255 Safe Working on Lifts and BS7801 Safe Working on Escalators and Moving Walks in Use, and as employers we will ensure in particular, that all our employees will:

- Protect themselves and others from falls and falling objects.
- Use and verify Stop and other devices when accessing, egressing and working on car tops and in lift and escalator pits to ensure total control of the equipment.
- Electrically isolate and lock off when power is not required and when working close to unguarded machinery.

We will actively ensure that our commitments are monitored, and enforced. We will not accept unsafe acts or conditions of work. We will ensure our workforce remain vigilant and aware of the hazards at all times.

A handwritten signature in black ink, appearing to be a stylized name, located below the text of the charter.
